

**2025 MRA STATE CHAMPIONSHIP Round 3**  
**Sydney Motorsport Park 16<sup>th</sup>-17<sup>th</sup> May 2025.**

## **SYDNEY 300 RACE MANAGEMENT CHANNEL**

All Sydney 300 competitors must have a driver or crew member listening on the MRA RMC Zello Chanel throughout the event.

In the interest of keeping costs low to competitors, we will not be requiring teams to purchase expensive radio equipment, instead use their own mobile phone.

We'll be using the 'Zello' app, which is readily available from the Google Play Store and App Store. The App is free, the name may vary and be called "Zello PTT Walkie Talkie".

### **Android / IOS Setup**

1. Download the App from the Google Play Store or App Store,
2. Register a free account, you can choose any username that is available.
3. You will need to connect to a Channel.  
Two Options to connect.

Search by name. Search for "MRA-RMC"

or scan the QR code below to connect.

Each person on the channel can listen and only authorised persons can talk.

THIS DOES NOT REPLACE THE RACE RECEIVER.

All communication over the Race Receiver will be sent through Zello, however Race Control and other event officials will use the channel to communicate with the teams. Any messages specifically for the RMC / Teams only will NOT be broadcast over the Race Receiver.
