7.4 Medical Centre is located directly next to the Drivers Briefing / SignOn room and it marked with a “+” on the map.

7.5 Trailer Parking

7.6 Paddock Area 1

8. INSPECTION, FAMILIARISATION SESSIONS.

These sessions exist to let competitors learn the circuit layout. All drivers must follow officials' directions and the instructions in this section.

- 8.1 Drivers must proceed to the marshalling area when called, no order will be used.
- 8.2 When instructed by the marshals, each car will follow the Safety Car to pit exit.
- 8.3 The official at pit exit will start the session by waving a green flag.
- 8.4 Each car must enter the circuit behind the Safety Car and remain behind the Safety Car at all times.
- 8.5 Vehicle speed must not exceed 80 km/h.
- 8.6 Overtaking is not permitted.
- 8.7 At the end of the session, red flag/light will be displayed. All vehicles must return to pit lane, then to their paddock area, carport, or garage.
- 8.8 Maintain at safe distance to the car ahead, no weaving for tyre warming, no brake testing, etc
- 8.9 Keep to the racing line as demonstrated by the Safety Car, do not stop on track except under instruction.
- 8.10 Helmets and required apparel must be worn and secured, windows up or window nets in place.
- 8.11 Passengers are not permitted.
- 8.12 If the car develops a problem, raise an arm, move off the line, and proceed slowly to pit lane. If you stop on track, remain in the vehicle unless instructed, use the marshal posts for assistance.
