4. BUMP IN AND BUMP OUT INFORMATION

- 4.1 **Access to the venue for Competitors entered in Friday Practice will be available from 5:30pm on Friday.**
- 4.2 Competitors who are not entered in Friday Practice will not be permitted to access the venue until 7:00pm on Friday.
- 4.3 Competitors who are not entered in Friday Practice and arrive before 7:00pm may be turned away from the venue. This is to allow Competitors who have entered Friday Practice to access the venue, complete sign on, and prepare for the evening.
- 4.4 No general paddock access will be available prior to the times specified in Articles 4.1 and 4.2.
- 4.5 Upon entering the venue, each Competitor must proceed directly to their allocated garage, carport, paddock area, or other allocated parking area.
- 4.6 Automobiles must only be left in their designated garage, carport, paddock area, or approved allocated space.
- 4.7 Competitors must not use any garage, carport, paddock space, or parking space other than the space allocated to them, unless approved by the Event Organiser.
- 4.8 Any Automobile, trailer, transporter, or support vehicle found in an unallocated area may be required to move immediately.
- 4.9 Trailers must be removed from the North Paddock after unloading, unless approval has been given by the Event Organiser.
- 4.10 Each entry is allocated one support vehicle space, unless otherwise approved by the Event Organiser.
- 4.11 Support vehicles, trailers and transporters must not block access roads, garage access, pit lane access, paddock roads, fire lanes, gates, or emergency vehicle access at any time.
- 4.12 Competitors, crew, and support vehicles must follow all directions given by security, paddock marshals, venue staff, and event officials.
- 4.13 All Competitors and crew must have removed all equipment, rubbish, tyres, fuel containers, and personal items from their allocated area prior to leaving the venue.
- 4.14 All Competitors and crew must be out of the venue by the time specified in the Event Schedule, unless otherwise approved by the Event Organiser.

5. PADDOCK PARKING

- 5.1 Garage, carport, paddock and support vehicle allocations will be published by the Event Organiser prior to the Event.
- 5.2 The South Circuit Paddock is allocated to the Pulsar Group of Australia.
- 5.3 The Figure 8 circuit area is allocated to Excel Competitors and competitor overflow parking.
- 5.4 Excel Competitors may leave trailers in the Figure 8 area, provided they are parked neatly and do not block access roads, emergency access, or other Competitors.
- 5.5 No other Competitor may leave a trailer in the Figure 8 area unless approved by the Event Organiser.
- 5.6 The Figure 8 area is a shared area and must be used with care and consideration for other users.
- 5.7 The Skid Pan is not part of the Event paddock and must not be used by Competitors, crew, or support vehicles at any time.
- 5.8 The Skid Pan will be in use throughout the Event weekend. Competitors and crew must not enter, park on, unload on, or drive on the Skid Pan.
- 5.9 Competitors allocated to the North Paddock, garages, or carports must unload promptly and remove trailers from the North Paddock unless approval has been given by the Event Organiser.
- 5.10 Support vehicles must only be parked in the location allocated to that entry.
- 5.11 Competitors must not park additional vehicles in the North Paddock, garage area, carport area, Figure 8 area, South Circuit Paddock, or any other restricted area unless approved by the Event Organiser.
- 5.12 The North Paddock, Figure 8 area and South Circuit Paddock will be busy throughout the Event. Competitors and crew are required to be patient, courteous, and follow directions from officials and venue staff.
- 5.13 Any vehicle, trailer, transporter, or equipment parked contrary to these Regulations may be required to be moved immediately.

6. WASTE OIL

- 6.1 All personnel must be aware of the fact that NO waste of any nature may be tipped into any storm water drain.
- 6.2 All storm water drains lead directly to the local waterways, and the Environmental Protection Agency (EPA) will be monitoring the situation in the lead up and throughout the event.
- 6.3 Competitors are advised that the EPA is taking an extremely proactive approach to this matter and are put on notice that any infringement of this directive will result in action being taken by either the Promoter or the EPA or both.
- 6.4 The Promoter has provided an area for disposal of waste oil and/or fluid products that are located near the Circuit fuel dump. This is not for the disposal of used parts (i.e., oil filters etc.)

7. TRAILER PARKING

Trailers must be parked at in P3 parking area (Outside of Tunnel – please see image below) or Fort Arnold at the back of turn 5. Enclosed trailers are permitted to be in the paddock area; however, the support vehicle **MUST** be parked in the P3 Parking area OR Figure 8 Circuit. Competitors may seek dispensation through the event organiser to keep other trailers in the paddock area.

8. AROCA NSW PARADE LAP AND PHOTOSHOOT

- 8.1 A non-competitive parade lap and photoshoot may be conducted during the lunch break for invited vehicles from the Alfa Romeo Owners Club of Australia NSW (AROCA NSW).
- 8.2 The parade lap is not a competition, speed event, practice session, demonstration run, passenger ride activity, or timed activity and will be in accordance with the NCR.
- 8.3 Only vehicles approved by the Event Organiser are permitted to participate in the parade lap and photoshoot.
- 8.4 Each participating vehicle must be in a roadworthy condition and suitable for use in the parade lap.
- 8.5 Each driver must hold a current civil driver licence suitable for the vehicle being driven.
- 8.6 Each driver is responsible for the safe operation of their vehicle at all times.
- 8.7 Passengers are permitted only where the vehicle is fitted with a proper passenger seat and seat belt.
- 8.8 All occupants must wear seat belts while the vehicle is moving.
- 8.9 Parade vehicles will arrive at the venue in convoy and will be directed to park at the South Circuit building or another location as directed by the AROCA NSW convoy leader, the Event Organiser, or event officials.
- 8.10 Each approved parade vehicle will be issued with an Alfa Romeo Parade Lap vehicle sticker.
- 8.11 The Alfa Romeo Parade Lap vehicle sticker must be placed on the upper driver's side of the front windscreen in a position that is clearly visible to event staff and officials.
- 8.12 A vehicle without the required Alfa Romeo Parade Lap vehicle sticker may be refused access to the parade lap and photoshoot.

- 8.13 Parade vehicles must remain in their allocated holding area until directed to move by the AROCA NSW convoy leader, the Event Organiser, or event officials.
- 8.14 At the direction of event operations, the parade vehicles will leave the holding area, proceed through the tunnel, and enter the marshalling area.
- 8.15 Parade vehicles must park in the marshalling area as directed by event officials.
- 8.16 The parade will be controlled by a designated Alfa Romeo lead car, driven by a responsible person authorised by the Clerk of the Course.
- 8.17 A designated sweep vehicle may be used at the rear of the parade as directed by the Clerk of the Course.
- 8.18 The lead car driver and sweep vehicle driver must attend any briefing required by the Clerk of the Course or Event Organiser.
- 8.19 Parade drivers must follow the directions of the lead car, sweep vehicle, event officials, flag signals, light panels, and any other instructions given by Race Control.
- 8.20 On direction from event officials, the parade vehicles will leave the marshalling area and commence two parade laps of the circuit.
- 8.21 The maximum speed for the parade lap is 80km/h.
- 8.22 The Clerk of the Course, Race Control, or the lead car driver may require a lower speed if required for safety, track conditions, traffic management, or event operations.
- 8.23 Overtaking is prohibited during the parade lap unless directed by event officials.
- 8.24 Weaving, brake testing, drifting, burnouts, sudden acceleration, sudden braking, excessive gaps, and any other unsafe conduct is prohibited.
- 8.25 Vehicles must always maintain a safe distance from the vehicle in front.
- 8.26 Parade vehicles must remain in formation unless directed otherwise by event officials.
- 8.27 All parade vehicles will stop on the main straight for a group photoshoot, under the direction of event officials.
- 8.28 Drivers and passengers may exit their vehicles during the photoshoot only once directed by event officials.
- 8.29 No person may enter the circuit surface, pit lane, pit wall, or any other restricted area during the photoshoot unless authorised by event officials.
- 8.30 During the photoshoot, all drivers and passengers must remain within the area approved by event officials.
- 8.31 At the conclusion of the photoshoot, all drivers and passengers must return to their vehicles immediately when directed by event officials.
- 8.32 Vehicles must not move until directed by event officials.
- 8.33 At the conclusion of the photoshoot, the designated lead vehicle will proceed to Turn 4 and position as directed by event officials for the purpose of controlling the movement of parade vehicles.
- 8.34 Parade vehicles will then be directed from the circuit into the paddock area, or another location as directed by event officials.
- 8.35 Any participating competition vehicle must return directly to its allocated garage, carport, or paddock location.
- 8.36 Non-competition parade vehicles must return to P3 Parking or another location as directed by event officials.
- 8.37 A small number of selected vehicles may be approved by the Event Organiser to remain at the rear of the marshalling area for static display.
- 8.38 Static display vehicles must be parked only in the location approved by the Event Organiser.
- 8.39 Static display vehicles must not impede the marshalling area, competitor access, emergency access, vehicle movement, officials, recovery vehicles, or event operations.
- 8.40 The Event Organiser, Clerk of the Course, or event officials may refuse, remove, or exclude any vehicle, driver, passenger, or participant from the parade lap, photoshoot, or static display for any safety, operational, conduct, or compliance reason.
- 8.41 Any driver who fails to comply with these Regulations, event official instructions, or Race Control instructions may be removed from the activity and may be refused further participation in the Event.
