INFORMATION FOR TEAMS

Welcome to Bathurst and Mount Panorama. The following contains key information for Support Category Teams while at Mount Panorama

GENERAL EVENT INFORMATION

https://bathurst6hour.com.au/event-info/faq/

PARK-UP

Park up will be as advised by the Category Manager/Administrators. No Transporters/trailers are allowed to enter the Circuit until the Category Manager/Administrator is on-site
to facilitate parking.

All vehicles must proceed along Conrod Straight and into the Paddock area via the Teams Gate or as directed by Event/Security staff.

ACCREDITATION / TICKETS

Accreditation is required from Friday to Sunday. Your Category Manager will issue your accreditation passes; individual teams cannot collect them.

If additional tickets are required, they can be purchased here: https://www.123tix.com.au/events/49434/hi-tec-oils-bathurst-6-hour

CAR PASSES

Car passes will also be issued by your Category Manager. To assist with venue entry, please put them on your vehicle immediately. For inner paddock access, cars will be required to have their vehicle pass from Thursday morning.

BUGGY REGISTRATION

All motorised buggies within the venue need to be registered, insured and drivers need to be licensed. Once approved, teams can collect their buggy permit from the Event Management Office near tower 1 which must be displayed during the event.
On-site, please remember that paddock space is tight and it is everyone's responsibility to make sure their buggy is parked neatly within their area and not blocking other vehicles

TRUCK WASH

There is no truck wash facility available onsite. You are NOT permitted to wash Transporters at the circuit.

PARKING

Parking is strictly prohibited in the Inner Paddock. All vehicles must be parked in the Competitors Car Park in the area provided near the paddock campground area.
·Each Competitor and crew must always have their pass when in the venue.

TRAILER PARKING

Once equipment is unloaded, all empty trailers are to be moved to the designated 'trailer parking' area which is located behind 'teams parking'.

SPEED LIMITS/TRAFFIC MANAGEMENT

All speed limits must be obeyed and vehicles need to be aware of pedestrians. The speed limit is always no more than 10km/h in the paddock. The speed limit throughout the rest of the Mount Panorama Circuit is 20km/h – PEDESTRIANS have right of way ALWAYS.

Standing on/riding around in the back of utes, trucks or trailers is strictly forbidden at all times. No scooters/bikes are to be ridden in the Paddock or Support Paddock.

All access lanes in and around the Race Paddocks must be kept clear at all times during the event. This includes when unloading automobiles from your Race Transporter or Trailer.

MARQUEES/ POP-UP TENTS

The marquees will have bracing across the back, under no circumstance is this to be removed. These will also be regularly checked. Any pop-up tents that are erected need to be weighted on each leg, minimum 25kg per leg. These will be regularly inspected.

Competitors must work on their race vehicles in the space they are allocated and not in or from their own transporters or campgrounds.

GENERAL SAFETY

The Mount Panorama Circuit is a public road which is closed for competition periods. At all non-competition times during the Event, access is restricted and limited to authorised personnel and vehicles only, which must respect and obey all relevant road rules.

INCIDENT REPORTING

All incidents must be reported to Event Management

ALCOHOL AND DRUGS

It is prohibited for any worker to be under the influence of alcohol or drugs while performing work activities including the operation of vehicles, equipment and or plant.

Persons deemed to be in a state, which is hazardous to them, or others will be asked to cease work immediately and they will be escorted off site. Random drug and alcohol testing may be undertaken. Disciplinary action which may include immediate termination of employment can result.

MEDICAL SUPPORT

There are effectively three levels of medical support provided during the Event, as follows:

Self help - Each Team should have a first aid kit, as does Event Management Office which should be used initially to treat minor injuries.

St John's will provide first aid services to the general public from two locations as follows:

Alpha Post: Located at the top of mount Panorama in the old police compound, operating daily during the Event from 0700 hours to 1800 hours.

Charlie Post: Located in Harris Park (behind Grandstand) near gate 1 in the demountable building, operating daily during the Event from 0700 hours to 1800 hours.

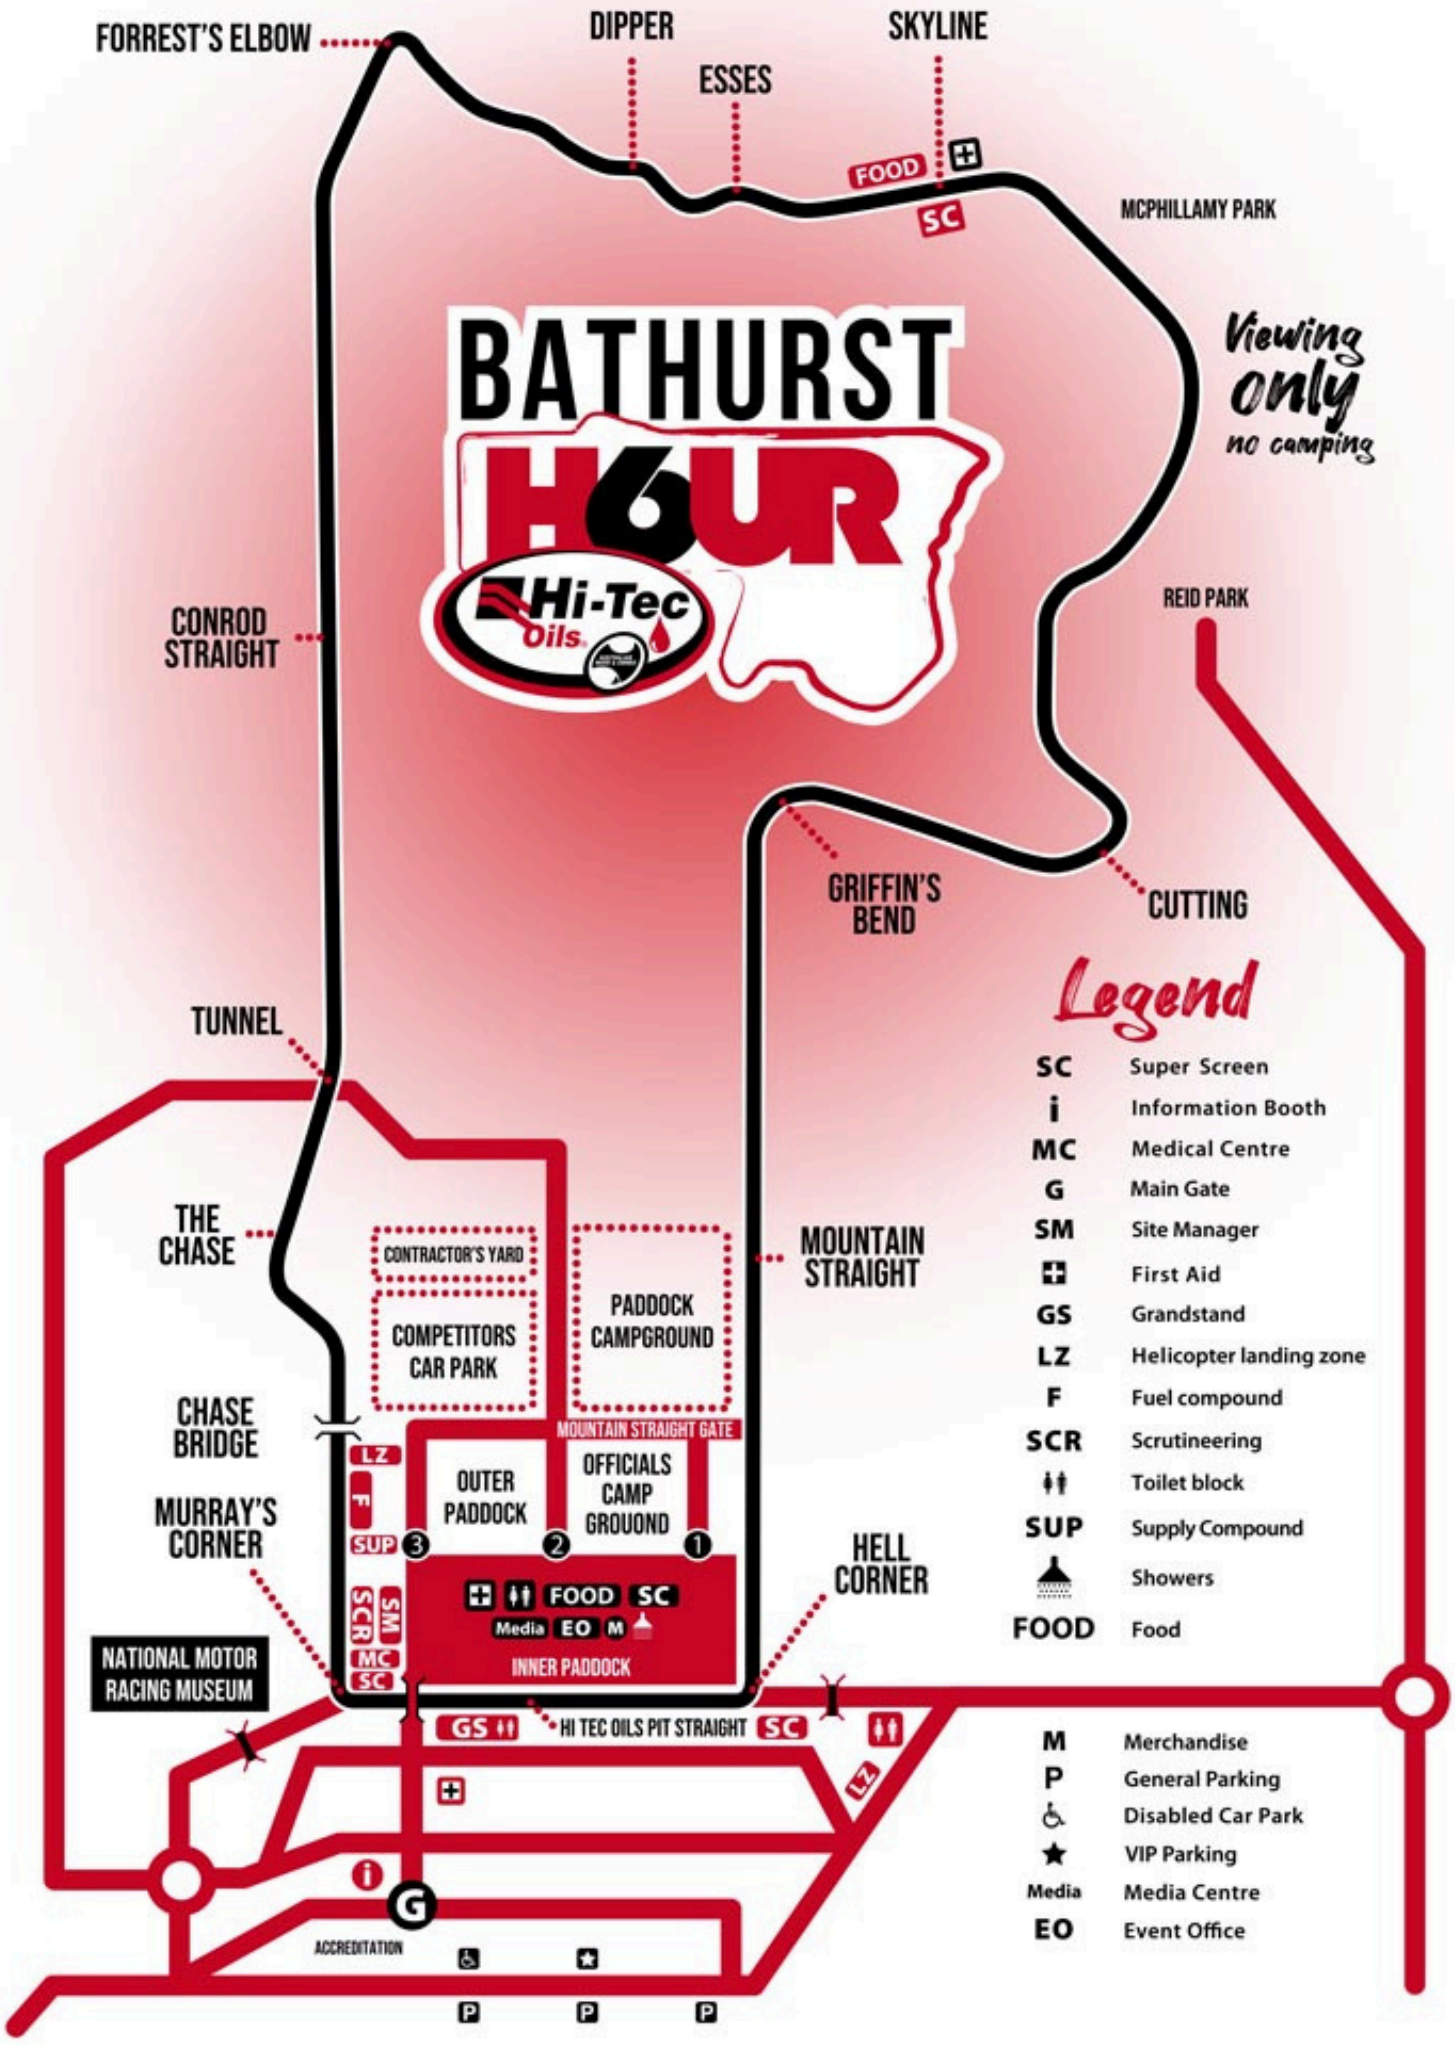

Medical Centre

The Medical Centre is located at the eastern end of the Pit Complex under Suite 27 and provides a service to competitors, staff, volunteers and contractors. The Medical Centre functions as a Trauma Unit including stabilization of critically injured patients prior to evacuation to a hospital. The Medical Centre can be used to treat members of the public in an emergency.

All incidents (no matter how minor) are to be reported to Event Management.

MONDAY TRACK DAY

If you have any competitors who aren't leaving until Monday morning, please make sure they are aware that there is a post event track day on the Monday. Any trucks will need to leave before 8am to exit via the track. The Tunnel will be open all day; however, please note that tunnel is 3.1m high.
